

FRENCH LANGUAGE SCHOOL AND CULTURAL CENTRE

THERE'S SOMETHING NEW AT ALLIANCE FRANÇAISE DE TORONTO!

Starting from September 2007, the Alliance Française de Toronto has adopted a new French-as-a-second language method. This method embraces the progressive curriculum recently established by the European Council and further adapted to many languages worldwide. The Alliance Française is the first institution in Toronto to incorporate into its syllabus the language requirements and levels recommended by this contemporary academic and international approach.

Notably, now you can:

- easily transfer from one school to another, owing to an internationally recognized standard for French language
- be aware of your level of French-language proficiency at all times, allowing you to write exams for international diplomas, tests and accreditations with confidence
- centre your language instruction around your personal and professional objectives
- progress more rapidly from one level to the next in fewer sessions
